

Catering Thermometer accessories

PVC zip wallets

These protective zip pouches are ideal for storing and transporting thermometers and probes. The zip pouches are manufactured from soft PVC imitation leather and have a zip fastener and loop attachment.

order code	description
830-001	zip pouch - 35 x 65 x 170 mm
830-005	zip pouch - 46 x 80 x 180 mm
830-037	zip pouch - 46 x 80 x 290 mm

portable belt clip

Specifically designed to allow for hands-free operation. The belt clip features a lock mechanism that holds the device securely in place, until the quick-release trigger is pressed, whilst allowing 360° rotation of the attached instrument. Compatible with products such as the BlueTherm One, ThermaQ Blue, Thermocouple ThermaData logger and ThermaData WiFi loggers.

order code	description
831-200	belt clip

stainless steel probe holder clips

These stainless steel probe holders clip on the top of a jug, saucepan or similar to hold in place a temperature probe. Two models are available, one that will accept either a Ø3 or Ø3.3 mm probe stem and the other is designed to work in conjunction with a bi-metal thermometer and will accept a Ø4 mm probe stem. **Please note:** The probe should not touch the bottom or sides of the container.

order code	description
830-220	Ø4 mm probe holder clip
830-500	Ø3 & 3.3 mm probe holder clip

flexible tripod mount

The flexible tripod allows for the secure and easy positioning of your instrument for the perfect viewing angle. The compact design provides a sturdy base, but still allows flexibility to stand on any surface, or wrap-around a convenient fixing point. The tripod has a quick release plate for easy attachment of your instrument. Compact in size (195 x 35 x 35 mm) and lightweight (96 g) making the tripod truly pocket-sized. Compatible with products such as the BlueTherm One, ThermaQ Blue, Thermocouple ThermaData logger and ThermaData WiFi loggers.
